Throw the hoops and try to get them on the pillars. Different pillars have different points.

Game that involves throwing wooden batons to knock over wooden blocks from a short distance.

Classic twister game but on a large scale.

Carefully remove a block without knocking the tower over and place your block on top!

Object of the game is to use the balls to knock over the skittles

2 player game - use the ropes at the side to guide your marble to the hole. 1st player there wins.

Classic game but on a larger scale.
