The streets are your playground for this team event as you get out and about to explore, learn and compete against other teams in our unique and interactive Dublin Treasure Hunt.

HOW DOES IT WORK?

Each **icon** is a section which can only be **released** if a teams is standing in that **location**, using our unique **GPS enabled app**. Once released there are questions and task based around that **area of the city**.

Each of the icons can be replaced by your **own** such as a **company logo**, if you wish*.

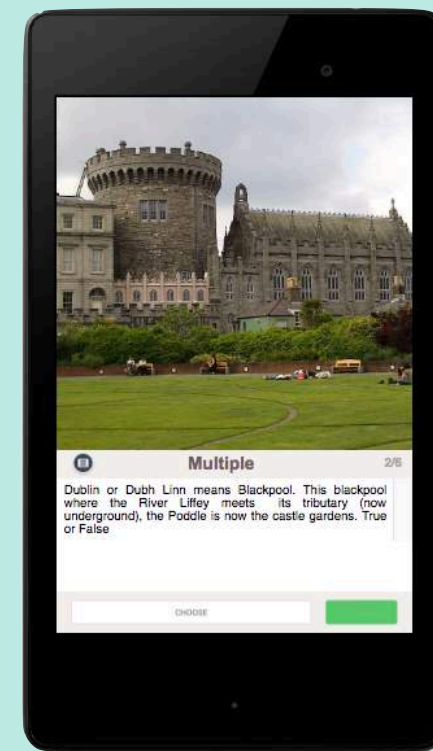

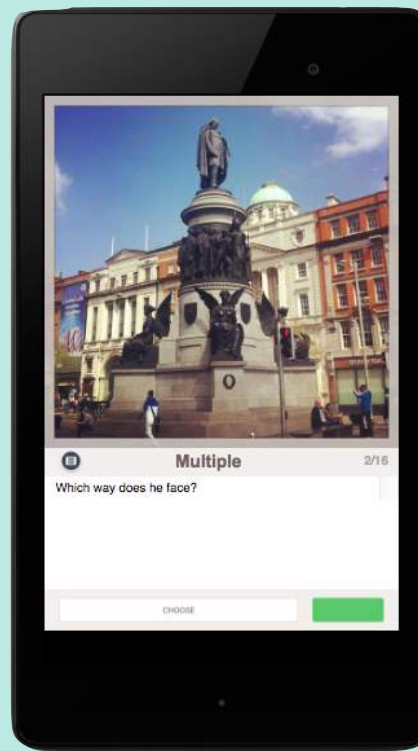

Once done you move to the next part of the city, taking any route you wish.

Questions and tasks based on **observation**, **problem solving**, **historical facts**, **general knowledge** and **actions**.

Type an answer, choose from **multiple choice**, take a **photo**, make a **video**, **phone** in an answer. Some questions are **timed**, some you have **one chance** to get it right, others you can have as **many goes** as you need within the time. and many more options making this the most advanced GPS app on the planet. **Fact!**
