CORK CITY

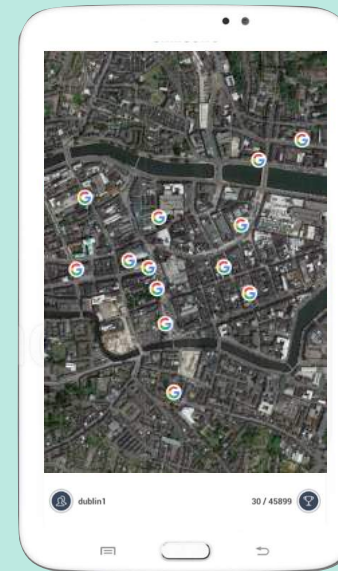

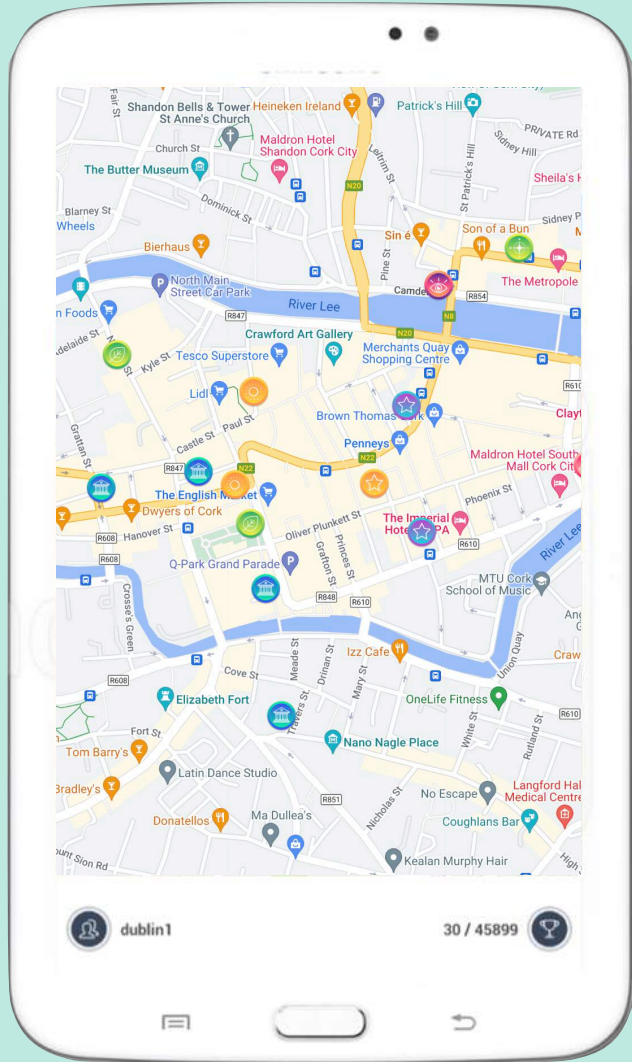

Enjoy the bustle of **St. Patrick's Street** shopping area, the sights and smells of the **English Market**, the views from **St Anne's Church** and the sounds of the **Shandon Bells**. Experience the force of the **River Lee**, the oasis of **Bishop Lucy Park**, the Georgian buildings of **Grand Parade**, and of course, Cork's finest asset - its **people**. Start and end in one of Cork's fine **hotels, pubs or restaurants**.

HOW DOES IT WORK?

Each **icon** is a section which can only be **released** if a team is standing in that **location**, using our unique **GPS enabled software**.

Once released there are questions and tasks based around that **area of the city**. Each of the icons can be replaced by your own such as a **company logo**, if you wish*.

Once done, you move to the next part of the city, taking any route you wish. **Questions and tasks** based on **observation**, **problem solving**, **historical facts**, **general knowledge** and **actions**. **Type** an answer, choose from **multiple choice**, take a **photo**, make a **video**, **phone** in an answer. Some questions are **timed**, some you have **one chance** to get right, others you can have as **many goes** as you need within the time.

"Absolutely blown away by the event, so well organised, thank you." - PFIZER

We also offer a variety of treasure hunts outside the city centre.

If your group has already experienced the hunt - why not try our latest event The Chase? Race across the city completing challenges to discover the identity of a famous Cork figure.

You'll find completely new experiences on one of our treasure hunts in the fun and exciting Fota Wildlife Park, the picturesque and relaxing Fota House & Gardens and in beautiful seaside Kinsale.

Kinsale

simultaneous events

If you have offices / teams spread across multiple cities, and want to get people involved between locations, we can also run events simultaneously in different cities and countries.

We can run each event just as we would normally, with a leaderboard for each location, live monitoring, and award ceremony for the top teams per city.

However, we can also adjust each hunt to include the same amount of available points, which means we can also reveal the overall winner across all locations, and pit teams against each other no matter where they are based!

“The team that plays together, stays together! We had an absolutely brilliant team-building day yesterday in both ReProMed Ireland’s clinics. Thank you to all our wonderful staff for getting stuck in so willingly (sore legs and heads today in all clinics!) and to TeamBuild.ie for facilitating both events simultaneously in Dublin & Galway.”
