## DUBLIN CITY

From Dublin Castle to The Board Gáis Energy Theatre, from the GPO to St Stephen's Green and everywhere in between, explore the city and mix with its wonderful people as you follow the instructions of our GPS app. It even tells you if you're too far from the right location.

The streets are your playground for this team event as you get out and about to explore, learn and compete against other teams in our unique and interactive Dublin Treasure Hunt.

## HOW DOES IT WORK?

Each **icon** is a section which can only be **released** if a team is standing in that **location**, using our unique **GPS enabled app**.

Once released there are questions and tasks based around that **area of the city**.

Each of the icons can be replaced by your **own** such as a **company logo**, if you wish\*.

Once done, you move to the next part of the city, taking any route you wish.

**Questions and tasks** based on **observation**, **problem solving**, **historical facts**, **general knowledge** and **actions**.

**Type** an answer, choose from **multiple choice**, take a **photo**, make a **video**, **phone** in an answer. Some questions are **timed**, some you have **one chance** to get right, others you can have as **many goes** as you need within the time.

*"Great, really positive feedback from everyone who attended." - STRIPE*

*"Thank you so much, the team had a great time yesterday, lots of good feedback." - META*

# enjoyable experiences

*"Again thank you for the fantastic event you organised for us!"*

- APPLE

We **rigorously research** our events so they are always **up to date** and **content is relevant** to the city at the time of your visit. We **test** each event by going through ourselves the day before. We can provide the event in a **number of languages\*** such as English, Irish, French and German.

During the event we have a professional **event leader** with **tech staff** on hand throughout. We can

provide you with a **professional photographer\*** to give you additional memories of your day out. Having a group dinner after the event? We can **display\*** all photos from the event as you enjoy your meal and vote on your favourite team video. If not, we will simply **upload** the photos to Dropbox for you **enjoy** at another time.

# area options

We can accommodate our Dublin Treasure Hunt to start and end from any location in the city centre.

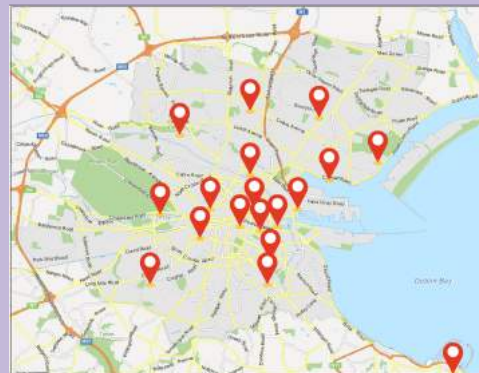

While all areas cover the most vibrant historical and shopping areas of town, you can also access new and exciting points of interest outside the usual tourist trails! Four diverse zones further expand the possibilities for exploration.

Why not try one of our treasure hunts outside the city centre?

You'll find completely new experiences on one of our treasure hunts in the fun and exciting Dublin Zoo and in beautiful seaside Dun Laoghaire.

## SAMPLE MAPS ONLY

We can also produce custom-made treasure hunts for any area of your choosing. No matter where your conference is being held, or if you seek a day out of the city, just get in touch to talk over ideas!

# simultaneous events

If you have offices / teams spread across multiple cities, and want to get people involved between locations, we can also run events simultaneously in different cities and countries.

We can run each event just as we would normally, with a leaderboard for each location, live monitoring, and award ceremony for the top teams per city.

However, we can also adjust each hunt to include the same amount of available points, which means we can also reveal the overall winner across all locations, and pit teams against each other no matter where they are based!

*"The team that plays together, stays together! We had an absolutely brilliant team-building day yesterday in both ReproMed Ireland's clinics. Thank you to all our wonderful staff for getting stuck in so willingly (sore legs and heads today in all clinics!) and to TeamBuild.ie for facilitating both events simultaneously in Dublin & Galway."*
