## GALWAY CITY

Enjoy the hustle and bustle of Galway's famous streets and take in the city's sights such as **Eyre Square**, the **Spanish Arch**, the **Medieval Quarter**, the docks, as well as various art galleries, statues, pubs and more. You may also encounter the likes of John F. Kennedy, Christopher Columbus, Oscar Wilde while you explore! Mix with the people of Galway and return to one of the city's fine **restaurants, bars or hotels** for the final award ceremony!

## HOW DOES IT WORK?

Each **icon** is a section which can only be **released** if a team is standing in that **location**, using our unique **GPS enabled software**.

Once released there are questions and tasks based around that **area of the city**. Each of the icons can be replaced by your **own** such as a **company logo**, if you wish\*.

Once done, you move to the next part of the city, taking any route you wish. **Questions and tasks** are based on **observation, problem-solving, historical facts, general knowledge and actions**. **Type** an answer, choose from **multiple choice**, take a **photo**, make a **video**, **phone** in an answer. Some questions are **timed**, some you have **one chance** to get right, others you can have as **many goes** as you need within the time.

- APPLE

We **rigorously research** our events so they are always **up to date** and **content is relevant** to the city at the time of your visit. We **test** each event by going through ourselves the day before. We can provide the event in a **number of languages\*** such as English, Irish, French and German.

During the event we have a professional **event leader** with **tech staff** on hand throughout. We can

provide you with a **professional photographer\*** to give you additional memories of your day out.

Having a group dinner after the event? We can **display\*** all photos from the event as you enjoy your meal and vote on your favourite team video.

If not, we will simply **upload** the photos to Dropbox for you **enjoy** at another time.

# simultaneous events

If you have offices / teams spread across multiple cities, and want to get people involved between locations, we can also run events simultaneously in different cities and countries.

We can run each event just as we would normally, with a leaderboard for each location, live monitoring, and award ceremony for the top teams per city.

However, we can also adjust each hunt to include the same amount of available points, which means we can also reveal the overall winner across all locations, and pit teams against each other no matter where they are based!

*"The team that plays together, stays together! We had an absolutely brilliant team-building day yesterday in both ReproMed Ireland's clinics. Thank you to all our wonderful staff for getting stuck in so willingly (sore legs and heads today in all clinics!) and to TeamBuild.ie for facilitating both events simultaneously in Dublin & Galway."*
